Mr. Robert A. Sotherden, Administrator
Glencrest Nursing Home
2807 Crossgate Circle
Lawrence, KS 66047

Dear Mr. Sotherden:

Thanks to you and dozens of other people, the fall crafts sale at Glencrest was highly successful. I am very appreciative of the ways in which you helped.

I particularly wish to thank you for transporting the display tables and chairs to Glencrest and back to the community center. Many people from the community center attended the sale and commented about how nice it was of you and your staff to support such an activity.

Having a parent who is a resident of the home, I am grateful that over 20 people from the Lawrence area volunteer their services to help make life more pleasant for the residents. Please accept my special thanks to you and your staff for supporting the many activities that benefit all Glencrest residents.

Sincerely,

Roberto G. Trujillo
