Mr. Alex R. Chaney, Principal
Madison Heights High School
1839 East Colfax Avenue
Denver, CO 80212

Dear Mr. Chaney:

Thank you for your invitation to advertise on your school's Web site. We were delighted to have the opportunity to sponsor last week's Marathon Mile at Madison Heights High School and hope that all the participants enjoyed the competition and spectator activities.

This week my office staff will be putting together a Web page that we would like to display on the Web space you have so generously provided. It is my understanding that the Web site will remain online throughout this school year. We will be certain to maintain it on a regular basis so that our products and prices always remain current.

The Marathon Mile has certainly become one of the county's most popular school events. We look forward to the opportunity of cosponsoring next year's Marathon Mile at Madison Heights.

Sincerely,

Kevin Hite
Marketing Director
